

## SNC Lavalin

SNC Lavalin is one of the world's most important engineering and constructions society groups, a key player in the administration and exploration of facilities and in infrastructures' exploration and administration of the property.

### OPPORTUNITY

- SNC wishes to standardize its calculus worksheets for all its projects.

### SOLUTION

- To apply Mathcad in order to produce and classify the calculus workdsheets with their respective project.

### RESULTS

- Considerable time saving.
- Neat and clear calculus worksheets, all departments understand every calculus worksheet produced.
